FOREWORD

Record of marriages performed by the Rev. Elijah Herrick, pastor of the Baptist Church at Ryder's Corners, Town of Charleston, Montgomery County, New York, from January 31, 1796 to September 30, 1844. Including alphabetical index of all names.

Amsterdam, N. Y., January 26, 1922.

I certify that the record of marriages is a true and correct copy taken from the diary or account book kept by the Rev. Elijah Herrick and loaned me by his great grandson Mr. Delos Herrick for the purpose of making a record for filing with the following societies and public records. That I have used the original spelling in every case, having to use a large reading glass to decipher the writing, and checking the work over several times to have it correct. One copy has been deposited with the Clerk of Montgomery County, one with the Montgomery County Historical Society, one with the Schenectady County Historical Society and one with the New York State Genealogical and Biographical Society.

Given under my hand and seal at Amsterdam, N. Y., this 26th day of January, 1922.

MELVIN W. LETHBRIDGE,

Notary Public.

FOREWORD

Record of marriages performed by the Rev. Calvin Herrick, pastor of the Baptist Church, at Ryders Corners, Town of Charleston, Montgomery County, New York, from January 9, 1834 to October 24, 1876. Including alphabetical index of all names.

Amsterdam, N. Y., January 26, 1922.

I certify that the record of marriages is a true and correct copy taken from the diary or account book kept by the Rev. Calvin Herrick and loaned me by his grandson, Mr. Delos Herrick for the purpose of making a record for filing with the following societies and public records. That I have used the original spelling in every case, having to use a large reading glass to decipher the writing, and checking the work over several times to have it correct. One copy has been deposited with the Clerk of Montgomery County, one with the Schenectady County Historical Society, one with the Montgomery County Historical Society, and one with the New York Genealogical and Biographical Society.

Given under my hand and seal at Amsterdam, N. Y., this 26th day of January, 1922.

MELVIN W. LETHBRIDGE,
Notary Public.

FOREWORD

From an ancient long chest, unopened for half a century, lying amid the accumulations of a century almost of household relics, we found this old book of the Rev. John Calvin Toll, with marriage statistics pertaining to the Reformed Dutch Churches of Middletown (Mapletown), Westerloo (Sprakers) and Canajoharie. The year 1822 marks the transition of Mr. Toll from the Dutch Reformed Church to the "Wyckofite" Church. These marriages must be of exceeding interest to the descendants of the contracting parties, and perhaps this is the only record of such marriage. It ought, therefore to be preserved by genealogical students of the families of the Mohawk Valley.

All these persons were residents of the Canajoharie District except where otherwise noted.

The original records are now in the possession of the Montgomery County Historical Society.

I certify that this record is a correct and true copy of the original, made for the purpose of preserving the same, and that a copy has been presented to the Montgomery County Historical Society, the Schenectady County Historical Society and the New York Genealogical and Biographical Society.

Given at Amsterdam, N. Y., under my hand and seal this sixth day of June, one thousand nine hundred and twenty-two.

(Signed): MELVIN W. LETHBRIDGE,
Notary Public.
